

Father God,

We praise You today for Your continued presence in our lives. Thank You Lord, for entrusting us with the earthly care of the perfect souls of those fur-kids we love and cherish. Help us to continue to provide every comfort and tend to every need to those precious hearts under our guardianship. Lord, we thank You too, for those beloved babies who have gone ahead to the Rainbow Bridge and into Your tender protection.

In Jesus' Name we pray,

Amen
